

Exhibit 5
Leadership

AOBA Alliance, Inc. is guided by a Board of Directors comprised of:

Experienced energy purchasing representatives from major commercial and apartment management firms in the Washington metropolitan area, and who have responsibility for millions of dollars of annual energy purchases, with a variety of engineering and business backgrounds.

An energy economist with forty years of established expertise in energy and regulatory policy matters who has presented expert testimony on electric and gas pricing matters in more than twenty jurisdictions and has represented the Apartment and Office Building Association for more than thirty years; and

Attorney with over 35 years' experience in providing legal expertise in both contracting and regulatory matters with practices in the areas of real estate acquisition and sales, administrative law, commercial leasing and sales, real estate finance, commercial and residential brokerage and property management, development, regulatory matters and both trial and appellate litigation.
